

## 151. Wasn't born to follow

### INTRO G/ C/ (X2)

1. Oh, I'd rather go and journey, where the diamond crescent's flowing and  
run across the valley, beneath the sacred mountain and  
wander through the forest

Where the trees have leaves of prisms, and break the light in colours,  
that no one knows the names of

2. And when it's time I'll go, and wait beside a legendary fountain,  
till I see your form reflected in it's clear and jewelled waters;  
and if you think I'm ready

You may lead me to the chasm, where the rivers of our vision,  
flow into one another

### BREAK G/ C/ (X4)

I will want to die beneath, the white cascading waters,  
she may beg, she may plead, she may argue with her logic;  
and mention all the things I'll lose

That really have no value, in the end she will surely know,

I wasn't born to follow
