1. Far between sundown's finish and midnight's broken toll

D G A D G D

We ducked inside the doorway, thunder crashing

D G D G

As majestic bells of bolts, struck shadows in the sounds

D G A D G D

Seeming to be the chimes of freedom flashing

A A7 D G D

2. Flashing for the warriors, whose strength is not to fight

G Em A

Flashing for the refugees on the unarmed road of flight

D G D G

And for each and every underdog, soldier in the night

D G A D G D

And we gazed upon the chimes of freedom flashing

D G D G

3. Even though a cloud's white curtain in a far off corner flashed

D G A D G D

And the hypnotic splattered mist was slowly lifting

D G D G

Electric lights still struck like arrows, fired but for the ones

D G A D G D

Condemned to drift or else be kept from drifting

A A7 D G D

4. Tolling for the searching ones, on their speechless seeking trail,

G Em A

For the lonesome hearted lovers, with too personal a tale

D G D G

And for each unharmed gentle soul misplaced inside a jail

D G A D G D

And we gazed upon the chimes of freedom flashing

5. Starry eyed and laughing, as I recall when we were caught

D G A D G D

Trapped by no track of hours for they hanged suspended

D G D G

And we listened one last time, and we watched with one last look

D G A D G D

Spellbound and swallowed till the tolling ended

 6. Tolling for the aching ones whose wounds cannot be nursed
 G **Em** **A**
 For the countless confused, accused, misused, strung-out ones and worse
 D **G** **D** **G**
 And for every hung-up person in the whole wide universe
 D **G** **A** **D** **G** **D**
 And we gazed upon the chimes of freedom flashing
